

I go shopping.
 Today I go shopping to a shop in our street. I buy four bananas, bread, two sandwiches and butter. I like shopping. I can buy food and drink, fruit and vegetables. I can buy toys too. I can pay with money to a shop assistant. My sister Jane and brother Paul can not shop in a supermarket. They do not like to go shopping.

 Jana = Jane (džejn)
 I can go shopping. (aj ken gou šopink)
 They can not shop. (dej ken not šop)
 Can you play football? (ken ju plej futból?)

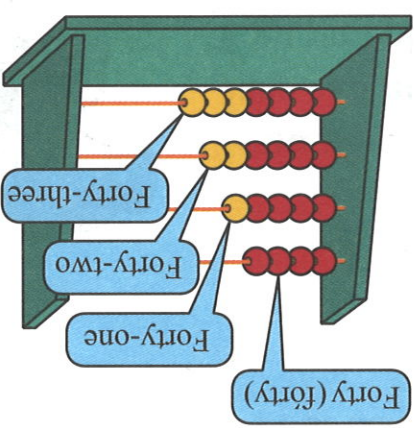

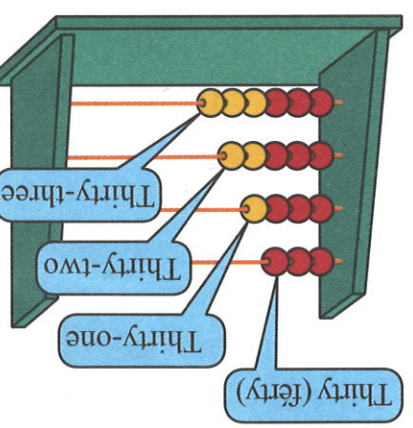

How much is it?
 (hau mač is it?)

How many bananas?
 (hau meny benanas?)
