9. Tajenka: a) _____
b) _____

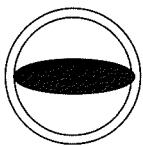

10. O kom je toto vyprávění? Řekni věty správně česky.

Small dragons have three heads or five heads or ten heads. Their heads are on very long necks. Their back is small. Their legs are short. They have no arms.

Big dragons have one head. They have big eyes, big ears, big mouths with many big teeth. They have four short legs. The front legs are their arms, they have fingers. They do not have toes on their feet, they have claws. Their body is very big. They have a big belly, they eat a princess and then they sleep a long time.

a dragon [ə dræɡən]
front [frʌnt] přední
a claw [klo:] dráp
a princess [ə prin'ses]
